Dear Principals,

**To Welcome the Olympic Flame — 中國加油
(2nd May 2008)**

To facilitate schools to collect stickers bearing the slogan “中國加油 080808” (translated as “Go China 080808”), the Committee for Welcoming the Torch has distributed around 90,000 stickers to each Regional Education Office (REO). Owing to the limited stock, schools which would like to collect the stickers should contact 2863 4646 to confirm the availability of the stickers before sending staff to their respective REOs for collection on 30 April 2008.

Yours sincerely,

(Mrs Jacqueline LING)
